

JCC Community Garden

Garden Preparation and Planting Day

May 20 from 3-5pm

The JCC Community Garden will be used to educate members about organic gardening, healthy eating, recycling, and tzedakah.

Imagine the benefit when we use home-grown vegetables to make soup for seniors, teach youth about the environment, and donate fresh food to those in need!

MEET AT THE GARDEN ON May 20

Follow the sidewalk path by the tennis courts to our JCC Community Garden

ALL AGES WELCOME

Bring the whole family!

(rain date 5/22 from 6pm—8pm)

Please donate vegetable and herb seedlings to the JCC Front Desk at any time for planting in the community garden.
