introduce new Hoover campers and their  
parents to the Hoover campsite.**

## Helpful Hints for Camp Parents

---

- Please send your child to camp wearing a swimsuit underneath their clothes everyday for Chaverim, Ora and Arye campers. Please make sure to include an additional swimsuit and undergarments in your camper's backpack. (Ora campers only need one swimsuit per day) This cuts down on changing time and leaves more time for camp fun!
- Put sunscreen on your camper BEFORE he/she arrives at camp in the morning and pack a container of sunscreen in your camper's bag so that it can be reapplied after swimming. If you would like your child to use insect repellent please pack it in a zip lock bag in your camper's bag. Please note, in order for staff to assist your child in applying sunscreen or insect repellent the medicine section of the Camper Health History Form must be completed.
- We encourage campers to drink lots of water during the day. You can help them stay hydrated by encouraging them to drink a full glass of water each morning prior to camp and each afternoon after they arrive home. Please send a water bottle to camp labeled with your child's name.
- During the camp season, campers will do a tie-dye activity. You may want to plan ahead and locate a white shirt for your child to use. See the camp calendar for the tie-dye day.
- Camp is an outdoor experience! Please dress your child appropriately and expect your child to get dirty.
- Please be sure to label ALL of your camper's belongings with his/her first and last name. Camp staff works hard to ensure your camper goes home with all of their belongings. In the event that your child does lose something at camp it is much easier to return it if your child's name is on it.
- Please don't forget to pack a dairy lunch (no meat please) in a soft, reusable lunch bag. Lunches will be refrigerated.
- If your child will not be at camp on a scheduled day, please call 559-6251, or email us at [dgoggins@columbusjcc.org](mailto:dgoggins@columbusjcc.org) prior to 8:00 for Hoover Campers and prior to 9:00 for Chaverim, Ora and Arye campers. If your child is absent because of a communicable illness, please let us know during the call or email. We will send a note home to notify the other campers in their group. Campers may return after 24 hours of being well and fever free.
- If there is any change in your child's schedule, such as an early pick up, change of bus stop, or pick up by someone other than the parent, written permission must be submitted to camp staff. Verbal requests will only be granted in case of emergency.

## Daily Reminders

---

Please make sure your child has the following items each day:

- Lunch
- Backpack
- Swimsuit- please send your child to camp wearing swim suit underneath clothing
- Plastic pants for swimming (if needed)
- Diaper supply (if needed)
- Water bottle
- Sunscreen
- Insect repellent (optional)
- Towel
- Plastic bag for wet swimsuit and towel

## Our Goal

JCC Summer Camps provide a commitment to the highest quality camping experiences within unique Jewish environments. Campers are encouraged to learn new skills and master old ones, to make decisions, take responsibility, be independent, respect others, form lasting friendships built on memories and most of all...have fun. Campers develop a deeper understanding of and appreciation for Jewish heritage and traditions while also developing a true sense of community.

## Our Program

JCC Summer Camps provide a safe nurturing environment where campers gain self esteem, confidence, learn new skills and tackle new challenges. We encourage campers to try new activities and gain a love for the outdoors with meaningful Jewish experiences. A summer at the JCC is spent immersed in daily camp life highlighted by dynamic and innovative programming. Activities include swimming, sports of all kinds, music, nature, Israeli culture, and Judaics. Every Wednesday has a special theme with exciting activities related to the weekly theme. Campers will experience Maccabi games, an Olympic-style sports program that encourages team work, team building, sportsmanship, where they can interact in an atmosphere of fun and physical fitness.

JCC Summer Camps offer many options and flexibility. Campers can sign up for a minimum of two weeks up to eight weeks with a three day and five day option.

JCC Summer Camps impact more than 700 campers and staff every summer.

## Our Staff

Everyone knows that our campers are an extraordinary group of children, but not everyone knows that our counselors are extraordinary too. Our staff is comprised of over 100 dedicated leaders, working together to create an energetic and comfortable warm Jewish environment. Staff takes great pride in their quality of work and has their own motivation to spend their summer at JCC Summer Camps, but each staff member is a caring, dedicated, responsible and fun-loving individual.

## Judaism at Camp

The theme for camp will be "The Summer of Creation," *Briat Ha Olam*. Each week has a Jewish theme pertaining to the seven days of creation. The story of creation teaches about responsibility, community, building, new beginnings and paying it forward. These themes will be present for the summer, and you also will find more personal themes that campers can work on, such as self-awareness, actions versus words and more. Every aspect of creation will be tied to larger activities about Israel. As a Jewish camp, Israel plays an integral role in our programming. Our goal is to show Israel to the kids in a way that is more than geography; in a way that connects further to the Jewish State.

Week 1 - Light/Dark - Mystery Week

Week 2 - Water/Heaven Week

Week 3 - Land/Plants - Live, Laugh & Love Week

Week 4 - Sun, Moon, Stars, Space Week

Week 5 - Fish/Birds - Israel Week

Week 6 - Animal/Man - Animal People Week

Week 7 - Shabbatmosphere Week

Week 8 - Maccabi/Relaxation Week

\*see website for more information

## Food and Drinks

- Daily kosher parve or dairy snacks will be provided in all camps. In addition, Kosher meals will be served at latenights and overnights. Kosher laws are observed for all food provided by the camp.
- All campers should bring a lunch and drink each day, packed in a bag. We strongly recommend the use of reusable lunch bags clearly labeled with a first and last name. Refrigeration is available for all lunches eaten outside. Lunches may not be shared.
- Drinking water is available at all times on the campground. To cut down the use of paper cups, campers are encouraged to use water bottles. Campers will be reminded throughout the day to drink water.

## Humpday Lunch Day

Each Wednesday, all campers have the option of leaving their brown bag lunches at home and purchasing lunch at camp. All lunches will be made in our Kosher kitchen - what a great way for your camper (and you) to take a break from packed lunches!

The Humpday Lunch Day menu is as follows

Week 1	Chicken Nuggets	Week 5	Hamburger
Week 2	Pizza	Week 6	Mac n Cheese
Week 3	No hump day	Week 7	Chicken Nuggets
Week 4	Hot Dog	Week 8	Pizza

All meals are served with a bottle of water, vegetable or fruit and a dessert.

Lunches are \$6 each and must be paid for prior to June 14.

## Forgotten Lunch Policy:

We understand that things can get chaotic in the morning before camp and you may forget to pack a lunch for your camper. The JCC Summer Camps will provide up to TWO lunches throughout the summer free of charge to you when your child does not have a lunch with them. However, you will be charged for the third lunch and beyond, so please make packing a lunch for your child a priority! If you have questions or comments regarding this policy, contact Halle Schwartz at 559-6279 or hschwartz@columbusjcc.org

## Camp Attire

- Campers are encouraged to wear comfortable, casual clothes, t-shirts, shorts and sneakers. Campers do get dirty. **Do not send expensive clothes, shoes, sandals, game boys, cameras, ipods, cell phones, sports equipment or jewelry to camp.** Campers are discouraged from bringing personal items to camp. The camp will not be held responsible for lost, damaged or misplaced items. Yeladim campers should bring an extra set of clothes and diapers, if necessary.
- Campers should use sunscreen prior to coming to camp and wear hats. Counselors will help younger campers and encourage older campers to re-apply sunscreen at intervals during the day. Campers must supply their own labeled sunscreen in their camp bag.
- Campers should bring their own camp bag to camp, clearly labeled in permanent ink with a first and last name on the outside of the bag. Please label all clothing and towels brought to camp.
- Campers will receive a camp t-shirt at the Open House.
- Campers will be doing projects, like tie-dyeing, with t-shirts during the camp season.  
We suggest having a couple white t-shirts on hand to avoid a last-minute rush.

## Rainy Days

We pray for sunshine and 75 degrees, but we are prepared for inclement weather. In some cases, regular programming is altered and special programs are prepared in advance to keep the fun and excitement flowing. Field trips may also be planned. In the event of rain, children should still bring all necessary items, as if it were a sunny day. Parents/Guardians should dress campers appropriately; we will be outdoors if at all possible. In the event of extremely hot conditions, the Camping Services Director will use his best judgment to determine whether or not it is safe to keep campers outside. If campers remain outside, we will use all necessary means to keep campers cool. If campers are taken inside or on a field trip, parents will be notified via email.

## Latenights/Overnights

Latenights are an exciting part of camp for campers. During a latenight, campers will stay at camp until 7:00pm for additional camp fun. Dinner will be provided by the JCC. **Pickup for all latenights will be on the campgrounds at 7:00pm.** Email reminders will be sent out prior to latenights. *Please note there is no bus transportation to JCC North or New Albany.*

Overnights are another exciting part of camp for older campers. Food and sleeping arrangements (tents for Hoover Campers) are provided by the JCC. Special activities at camp are listed on the camp calendar. You will receive an email with related information prior to an overnight.

### Packing for an Overnight

Please send your camper with a sleeping bag, change of clothes and socks for the next day, pajamas, toothbrush and toothpaste, 2 lunches (will be refrigerated) and a flashlight.

# Transportation Schedules

\* Please have your camper to the bus stop 10 minutes prior to pick-up time.

## To JCC East from:

BUS ROUTE	PICK-UP	DROP-OFF
JCC North.....	8:30am .....	1:35/4:05pm
JCC New Albany.....	8:30am .....	4:00pm

## To Hoover from:

BUS ROUTE	PICK-UP	DROP-OFF
JCC East.....	8:15am .....	4:00pm
JCC New Albany .....	8:45am .....	3:45pm
JCC North.....	8:30am .....	4:15pm

## The central pick-up points for camper transportation are:

- JCC North –  
1985 Swansford Drive (Saint Andrew's Church), Dublin
- JCC New Albany -  
150 E. Granville Rd., New Albany

## Day Camp Transportation

2012 transportation will be provided by either the JCC or Peterman Services. Buses and vans will be clearly marked.

### Please make note of the following:

- Times listed are departure and arrival times. Please be at the bus stop 10 minutes prior to the designated time.
- The Parent/Guardian is responsible for their child in the morning until they board the camp bus.
- On the first day of each week, children will be informed of the camp's expectations and consequences of inappropriate behavior. Although we always hope for appropriate behaviors at camp, problems do occur. Parents will be kept informed of and involved with any problem that arises. Problems are dealt with in a positive manner. The JCC reserves the right to not provide transportation to any child if his/her behavior becomes unmanageable, disruptive or endangers the welfare and safety of his/her fellow campers or staff.
- In the afternoon, if a parent/guardian is not present at the designated time, the child will remain with a staff member until picked up.
- The receptionists at the JCC (for College Avenue & New Albany stops) and JCC North will be notified if a bus is delayed. Call either location for specific information.
- For lost and found items on the buses, please contact the camp office.
- Buses have taken trial runs. However, there may be slight delays initially. Please be patient during the first week of camp.
- Each bus will have at least two Bus Counselors who will help ensure a safe and enjoyable trip to and from camp. If you have any messages to send to camp, please give them to the bus counselor, in writing.

## For Chaverim Campers with Hoover Siblings

Chaverim campers with Hoover siblings may come to camp at 8:00am and stay until 4:00pm. This extended day at camp allows you, the parent, to take advantage of one easy drop off and pick up time. Contact Diana Goggins at 559-6251 or [dgoggins@columbusjcc.org](mailto:dgoggins@columbusjcc.org) to sign your Chaverim camper with a Hoover sibling up for extended camp fun!

## Animal Policy

Campers may not bring animals to camp unless previously approved by their camp director.

### Helpful Suggestions for Overnights

1. Pack concisely and carefully.
2. Label all items with your camper's name. This helps avoid lost items.
3. Pack in a durable plastic garbage bag with campers name on the outside of the bag. This will protect your child's sleeping bag from getting dirty.
4. Do not bring valuable items.
5. Campers are responsible for the safety of all personal items.

## Visiting Camp

You are welcome to visit camp at any time. Please stop by the camp shelter at Chaverim, ECS Offices for Shemesh and Yeladim, the Ora Supply Shed or the Pool Office at Hoover, to let us know you're visiting, and to help you locate your child on the campgrounds. Camp personnel have been instructed to question all non-familiar people on the campground.

## Medical Information, Emergencies, Medications, and Medical Insurance

- Campers with severe allergies, such as to bee stings or nuts, who may require staff assistance need to prepare an emergency plan with your camp director.
- A completed Camper Health History Form must be on file in the Camp Office prior to the start of camp.
- Medication or drugs should be given to the Camp Nurse at the College Avenue camp site or Camp Director at Hoover or Shemesh at the Open House or on the first day of camp, with specific written directions from the physician for their use. All medications must be in their original bottles. If you have concerns about your child's participation in a camp activity, please contact the Camp Director prior to camp.
- All camp staff are instructed about the importance of parent communication. If your child becomes sick or injured during their time at camp, you will be notified immediately. The camp nurse is on duty from 8:45 a.m.-3:30 p.m. at the College Avenue site. Staff are trained and certified in First Aid and CPR at all sites.
- Medications of any kind require a completed Health History Form before they can be administered or applied. The camp will administer prescription medication as long as it is in the original container with label still intact. Over-the-counter medication may be administered to a child if there is written consent from a doctor to administer the medication. In order for your child to have staff assistance while applying sunscreen, calamine lotion and bug repellent the medical section of the Health History Form must be filled out and signed by a parent and/or guardian.
- For your child's safety, do not send medication in your child's bag. Please give medication to a staff person, in the original container, and make sure appropriate information has been given.

## Policy on Communicable Disease

At all times of operation, the JCC is staffed with at least one person trained in identification and management of communicable disease. All staff adhere to routine practices of hand washing and disinfecting procedures. The following policy has been dictated by the Ohio Department of Human Services and is adhered to by our JCC.

These precautions shall be taken for children suspected of having a communicable disease:

- a. The JCC shall immediately notify the parent or guardian of the child's condition when a child has been observed with signs or symptoms of illness.
- b. A child with any of the following signs or symptoms of illness shall be immediately isolated and discharged to his parent or guardian. The JCC's policy for re-admitting the child is also listed. Please be advised that the JCC reserves the right to request a physician's note of re-admittance upon the child's return to camp.
  - *Diarrhea* (more than one abnormally loose stool within a 24 hour period) - Child should not return to camp until diarrhea has ceased for at least 24 hours.

- *Severe coughing* - Child may return to camp when coughing ceases.
- *Difficult or Rapid Breathing* - Child may return to camp when condition ceases.
- *Yellowish Skin or Eyes* - Child may return to camp when color returns to normal.
- *Conjunctivitis (Pink Eye)* - Child may not return to camp until 24 hours after the start of treatment with antibiotics.
- *Temperature of 100 degrees or above* - Child should not return to camp until there has been no fever for 24 hours.
- *Untreated infected skin patches/Unusual spots or rashes* - It will be left to the discretion of the Nurse, Early Childhood or Camp Director whether or not a doctor should be contacted for examination and further instructions.
- *Unusually dark urine and/or gray or white stool* - Child may return to camp when an explanation can be provided.
- *Stiff Neck* - Child may return to camp with an explanation and further instructions from a physician.
- *Sore throat or difficulty in swallowing* - Child may return to camp when symptoms have ceased or when an explanation can be provided.
- *Vomiting* - Child may return when vomiting has ceased.
- *Evidence of lice, scabies, or other parasitic infestation* - Child will be checked by the office before they will be permitted back into the camp.
- A complete communicable disease chart is posted in the Early Childhood offices.
- A child with any of the signs or symptoms of illness shall be immediately isolated from other children. Once contact with the parent or guardian has been established, it is expected that the child will be picked up immediately. In the event the parent or guardian cannot be reached, the person designated on the emergency form will be contacted. As the Center is not equipped to accommodate sick children, no child shall remain longer than two hours after contact has been made. Parents are advised to have a back-up procedure arranged. In the event that they would be unable to comply with this policy, special arrangements should be set up prior to the start of camp.
- A mildly ill child, one not exhibiting the above stated symptoms, will be allowed to rest in the Nurse's Office. The parent will be notified and asked to pick up the child as soon as possible. Emergency numbers will not be called for a mildly ill child.
- In order to ensure the health of all the children and staff, it is imperative to follow these guidelines. When children return to camp too soon their resistance is low, which only makes them more susceptible to recurring illness, as well as the fact that they may still be contagious to other children and staff.

## Effective Communication

- Effective communication between staff, parents and campers is most important. A calendar of activities is on the web site. You will also receive email updates from your Camp Director. Those families attending the camp Open House will meet their child's counselor. If, during the summer, a concern arises, please contact your child's Unit Head or Camp Director.
- Camp Directors will be on the grounds during the camp day and will return calls each day after 4 p.m. Of course, any urgent matters will be handled immediately.
- Appointments with the Camp Directors can be made for later afternoons or evenings as needed by calling the Camp Office.
- Keep in mind that camp goes by very quickly and that it is best to address any concerns as soon as they arise.
- When camp information is sent home, it will be placed in the child's camp bag. You may wish to place a ziplock bag in your child's camp bag to keep information dry.
- We encourage cooperative projects at camp, therefore, large numbers of individual art projects will not be brought home.

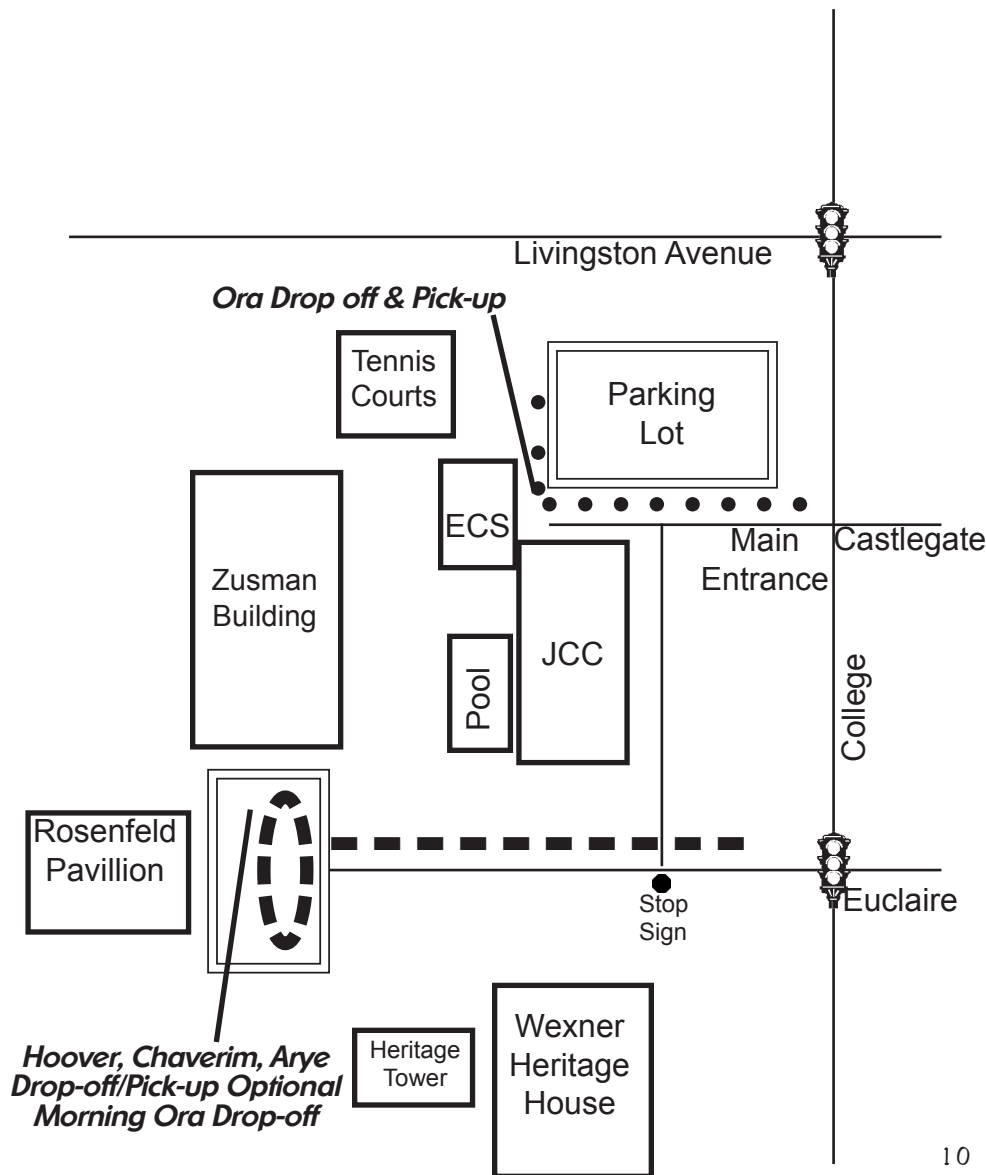

## Behavior Expectations

- On the first day of each week, children will be informed of the camp's expectations and consequences of inappropriate behavior. Although we always hope for appropriate behaviors at camp, problems do occur. Parents will be kept informed and involved in any problems that come

# JCC 2012 Summer Camp Camper Drop Off Points

● ● ● ● ● = Optional Ora Drop-Off & Afternoon Ora Pick-Up

# Camper Pick Up Guidelines

---

## Camps Ora, Chaverim, and Arye

Campers will be seated to the side of the pick up area, supervised by camp staff. When you approach the front of the carpool line, a staff person will meet your car and ask which camper(s) you will be picking up. Please be aware that if the staff person does not recognize you, you may be asked for ID. Your camper will then be called and will be brought to your vehicle.

We ask that parents please refrain from getting out of their cars while in the carpool line or having lengthy conversations with camp staff. If needed, please pull into an appropriate parking space in the JCC parking lot.

If camp staff has not been notified of a change in pick up for your child, and an unfamiliar person (to camp staff) arrives at camp to pick up your camper, they will not be released to that person until we gain verbal consent (by phone) from a parent/guardian.

## Hoover Campers Only

As Hoover campers depart their buses; campers may walk to their cars. We ask that parents place the 'pick up vehicle' sign in their car. Camp staff will remain present until ALL campers are picked up.

Many Hoover campers are approved to remain unattended at the JCC after camp. Please notify Marc Moscardino in writing if you give your camper permission to be at the JCC unsupervised after camp hours. *Please Note, the camper will be responsible for themselves once they depart the Hoover buses at the JCC.*

## ALL CAMP Transportation

If your family has a custody arrangement that affects transportation or pick up that staff should be informed of, please let your Camp Director know in writing.

If your child will be going home with a friend, or you have another change in transportation, you **MUST** call the Camp Office, e-mail Sue Vail at [svail@columbusjcc.org](mailto:svail@columbusjcc.org) or send a note to the Camp Director with the information.

Please note, unless we receive a change through written confirmation from you, an e-mail or phone call, we will assume that your child should be utilizing their regular transportation method/time (whether this is a bus, car pick up, etc). On latenights and overnights, we assume that every camper in the unit is staying unless we hear from you.

up. Problems are dealt with in a positive manner. The JCC reserves the right to send any child home from camp if his/her behavior becomes unmanageable, disruptive or endangers the welfare and safety of his/her fellow campers or staff. There is no use of corporal punishment at camp.

- Hoover campers and parents are required to return a signed Behavior Expectation Form prior to the start of Camp.
- Aggressive toys such as real or pretend guns, water guns, knives or swords are not permitted at camp.
- The use of drugs and alcohol, including cigarettes, is prohibited at all times. Violations are grounds for immediate removal from camp.

## Absences

If your child is going to be absent from camp, please contact the camp office at 559-6251 or by e-mail [atdgoggins@columbusjcc.org](mailto:atdgoggins@columbusjcc.org) prior to 9:00 a.m. Although we realize campers miss camp for all reasons, there is no refund, credit or extension for missed days of camp.

## Lost and Found

We make attempts to return all lost and found items at the end of each camp day. However, if you are missing items, please check the lost and found. For Chaverim and Arye campers, lost and found will be located at the Chaverim shed. For Ora campers, lost and found will be located at the Ora Shed. Camp Shemesh lost and found items will be in the Preschool Office. Hoover campers can find their lost and found items in the Pool Office. Towels left at the pool may be found in the Fitness Welcome Center. Please make sure all personal belongings have a first and last name marked in permanent ink. Labeled items will easily be returned to the campers.

## Swimming

- Camper swim programs will be held in either the indoor or outdoor pool, weather permitting. Yeladim campers will participate in water play, but no swim lessons.
- Ora, Chaverim and Arye campers should wear a bathing suit to camp each day and bring a towel in their camp bag. Chaverim and Arye campers need to bring an additional bathing suit to camp. This prevents campers from having to change back into a wet bathing suit right before free swim. Camp Hoover campers should bring a bathing suit and towel to camp each day in their camp bag. Yeladim campers at the Eastside location should bring their suits and a plastic bag in their camp bag. Towels are provided for Yeladim campers only. Campers in swim lessons will be evaluated during the first week of camp for proper swim group placement.
- Aquatics questions can be referred directly to the JCC Aquatics Director, Phil Sobers, JCC Assistant Aquatics Director, or the Hoover Director. If not available, contact your Camp Director.
- Personal safety, swimming skills and a positive self concept will be the primary goals of the program. For the very young camper, water familiarization, safety, and having fun while learning to develop swim skills will be a daily swimming goal.
- Hoover campers will look forward to a program that includes personal safety, swimming skill development, lap endurance and pool games.

## Early Dismissals

If you find it necessary to pick up your child prior to the end of the camp day, please give a note to your child's Unit Head or Camp Director stating the time of pick-up and who will be picking him/her up. Early dismissals will be made at the camp shelter for Ora, Chaverim and Arye Camps, the Pool Office for Hoover Camp. Please do not ask your counselor to bring your camper to the parking lot for early dismissal. Hoover campers who change drop-off busses must have written permission from their parents.

## Camp Shirts

Your child should wear his/her camp shirt every Monday. Photos will be taken throughout the week and will be posted to our Shutterfly account and may be purchased by parents if they would like. Camp shirts will be distributed at the Camp Open House. If a camper misses the Open House, he/she will receive a shirt on the day of the photo session.

## Camp Committee

The JCC Camps are guided by a committee of members who have a concern for the future of our camp program. If you would like to get involved in this process, please contact the Camp office.

## A Typical Day at Camp

- Cars and busloads of campers arrive at camp in the morning for the day to begin. They meet with their counselors and participate in the daily opening activity. After opening, campers participate in a variety of activity periods. Varying by age and camp, specialty activities include Judaics, swim lessons, art, music, nature, sports, boating, high ropes and archery. Specialty activities are led by trained specialists. During the balance of the day, campers participate in bunk activities, led by each group's counselors, and free swim (except preschool age camps). Each day ends with a camp closing.
- Pre-Shabbat celebrations occur each Friday with special activities. In addition, special theme programming helps tie together many of the Jewish components of camp.

## Supplies We Need

Many items that we use and usually throw away are very useful to us at camp. Families wishing to donate items from the list below are asked to bring their items to the Camp office: leather, fabric, bed sheets, pillow cases, paint brushes, rope, ribbon, glitter, wrapping paper, felt, bottle caps, socks, gloves, tissue paper, coffee cans, sea shells, beads, candles, wax, flower pots, flashlights, batteries, dried and silk flowers, styrofoam, corks, confetti, rhinestones, wood scraps, yarn, buttons, plastic containers and covers, balloons, safety pins, cookie cutters, frozen juice lids, snaps, thread spools and six pack rings. We also need old K'nex, Legos and Lincoln Logs for this year's Lego Camp.

## Calendar of Important Dates

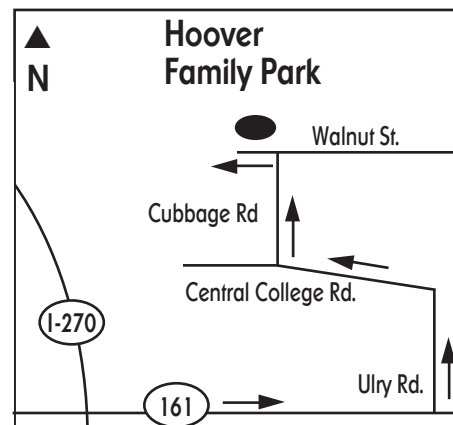

A calendar is on the web site. Information about specific camp activities is also provided in notes home and email reminders.
