

## OUR MISSION

The Jewish Community Center of Greater Columbus is a human service agency offering a varied program that is Jewish in nature. It is committed to enhancing the quality of individual and family life through the promotion of physical, intellectual and spiritual wellness. It provides educational and cultural programs that reflect the Jewish heritage, health-related activities and many services to the community at large. Through its wide array of programs, the JCC pursues its mission of strengthening the individual, family and community.

The JCC has served the Columbus community since 1913, when Joseph Schonthal opened meeting rooms in an old house on South Washington Avenue. As the needs of the community grew, so did the facilities and services offered at the JCC.
