

DIAMOND
FAMILY FITNESS CENTER 
at the

Youth Spring Batting League

In this league, parents or teammates throw pitches to their own child or teammate. (Must be 15 years or older to throw) Hitters get 10 swings per inning and four innings to accumulate as many points as possible. In addition to being fun, there are tremendous developmental benefits of joining a hitting league. Hitting leagues simulate situations where a player can practice being in a "semi-pressured" environment. There will be a "free agent" list if you do not have a teammate but still want to participate in the league. Winning teams will receive a trophy.
