Pre-K Scheduling: The following are some of the reasons we do not encourage part time usage in our pre-K programs: there are activities in the classroom which will be missed (i.e. field trips, weekly lessons that build on each other, etc.), socialization is found to be more difficult and specialty classes are scheduled based on a five day classroom schedule.

### Part Week Schedules: Please note that although we will try to honor requests for part time days preferred, we will be pairing part time children and some flexibility may be required.

### Part Week Schedule Restrictions: due to the number of part week families to accommodate, switching scheduled days throughout the year is prohibited. Please look over EC calendar for school closings and how they affect your schedule.

### Part Week Schedules: Keep in mind when scheduling that specialty classes are based on 5 day schedules and are not completed until 8/12/19. A child’s part week schedule can not be based around a certain specialty and the only way to guarantee your child receives all specialties is with a 5 day schedule.

We do not allow one day per week registrations; therefore 4 days per week is prohibited unless approved by the EC office.

Dear Preschool Families,

Spring will soon be here! With spring comes our Early Childhood Program registration. The JCC is pleased to announce that for the 2019-2020 school year, the independent, third party grant and aid assessment company, FACTS, will again manage our Early Childhood scholarship application process. **To be considered for scholarship assistance, you must register your child AND reapply each year it is needed.** Please contact the Early Childhood site for registration information.

**THE APPLICATION DEADLINE IS MAY 1, 2019. SCHOLARSHIP REQUESTS ALWAYS EXCEED FUNDS AVAILABLE. APPLICATIONS RECEIVED AFTER THIS DATE ARE CONSIDERED IN THE ORDER RECEIVED AND ONLY IF FUNDS REMAIN FROM THE INITIAL REVIEW AND REWARD PROCESS.**

To expedite your scholarship application as quickly and efficiently as possible, we ask that you complete the confidential online application on the FACTS website, [https://online.factsmgt.com/signin.aspx](https://online.factsmgt.com/signin.aspx).

1. Choose **THE JEWISH COMMUNITY CENTER OF GREATER COLUMBUS** as the school. **Do not choose The JCC of Greater Columbus-Camp** as the school, as that site is for summer camp scholarship applications. You may search by school name, city, or zip code. Our zip code is 43209.

2. Please have your 2018 tax return information available before you begin, including W-2s and 2019 pay stubs.

3. Upon submitting your application, you will be required to pay a one-time annual administrative fee of $35. If you are also applying for summer camp financial aid, this fee is only charged once. If you already have an account with FACTS through another educational institution and have already paid the administrative fee for the school year, the fee is also waived. You will use the SAME account to apply for Summer Camp 2019 and/or preschool (2019-2020). However, you need to select **The Jewish Community Center of Greater Columbus** as an additional school choice in your application.

4. Upload the supporting documentation on FACTS’ secure website, or fax or mail it to them. Do not send your information to the JCC! All documents received by FACTS are shredded following the materials review process. Families will be notified of any missing information. **The JCC will not begin processing your application until FACTS notifies us that it has received ALL materials.**

FACTS conducts a comprehensive evaluation of applicant materials. They calculate applicants' financial needs and make recommendations to the JCC. The JCC has the final determination for scholarship awards. Award letters are sent via email to recipients in early to mid-June. The entire process is strictly confidential.

Changes happen. If a family must make a change that reduces tuition, such as a reduction in days enrolled, the amount of assistance received will also be reduced.

If you have any questions regarding the application or the review process, you may speak with a FACTS customer care representative directly by calling 1-866-441-4637. You may also contact Louise Young at the JCC at (614) 559-6216 or Lmyoung@columbusjcc.org.

Sincerely,

Carol Folkerth, Executive Director
How to Apply for JCC Early Childhood Program Financial Assistance

DEADLINE FOR APPLICATIONS IS MAY 1, 2019!

Applications received after that date are considered in the order received and only if funds are still available.

Please collect and complete the following steps to apply for financial assistance. All documents must be submitted as described and are held in strict confidentiality by FACTS and the JCC. If you are a current JCC member or participate in JCC programs, all outstanding balances must be paid in full prior to submitting your assistance application.

Step 1: If you are not currently a JCC member, please visit our Member Services office to apply for membership.

Step 2: Register for the Early Childhood program for which you are requesting financial assistance. The JCC cannot consider your application unless your child is registered.

Step 3: All financial assistance recipients must arrange to make fee payments via EFT (bank account debit) or credit card.

Step 4: A deposit is required for JCC Early Childhood Programs and is due at the time of registration. Please see the Early Childhood registration materials for the deposit amount. Deposits are fully refundable if the financial assistance does not meet your need and you choose not to participate in the program.

Step 5: Apply for financial assistance at https://online.factsmgt.com/signin.aspx, and choose The Jewish Community Center of Greater Columbus as the school. Do not choose The JCC of Greater Columbus Camp, as that is for summer camp scholarships. You may search for the school by city or zip code. Our zip code is 43209.

FACTS Grant & AID Assessment (FACTS) will conduct the financial need analysis for the JCC. Families applying for financial aid will need to complete an application online and submit the necessary supporting documentation to FACTS. FACTS charges a $35 administrative fee, unless you have already applied through another school or the JCC summer camp since last year. This fee covers your application processing and assessment and does not go to the JCC.

Step 6: Once you have entered the application data, please send the following information to FACTS to complete the application. FACTS will not review applications until it receives all the documents. Do not send the information to the JCC.

• Copy of 2018 federal tax forms for both you and your spouse/co-applicant, including all supporting tax schedules.
• Copies of your 2018 W-2 forms for both you and your spouse/co-applicant.
• Copies of two most recent pay stubs for 2019 (both parents/co-applicants).

All supporting documentation can be uploaded on the FACTS secure website, faxed to 1-866-315-9264, or mailed to the address below. If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at 1-866-441-4637.

FACTS Grant & Aid Assessment
P.O. Box 82524
Lincoln, NE 68501-2524

After your application is submitted, FACTS will notify Louise Young at the JCC of the application and where it is in the process. Please refer to the scholarship information letter regarding tentative scholarship notification dates.
In preparation for the 2019-2020 classroom placements, we are requesting parent feedback. The JCC Administration and Early Childhood Educators recognize the need to create a well-balanced learning environment for your child. Please know that there are many criteria that we take into account when placing children into classrooms, such as:

- Former Teacher Recommendations
- Social Relationships
- Schedule
- Gender
- Sibling Placement
- Chronological Age
- Developmental Abilities
- For Pre-K only--which kindergarten attending next year

Using the above consistent criteria and parent feedback listed below, we feel that we can organize classrooms and have a well-blended and balanced group of students. Thank you so much for your partnership in helping maximize your child’s school success for the upcoming year.

In order for us to take into consideration your feedback, please return your Parent Feedback sheet (to the office or via email) by June 1, 2019.

1. What are your child’s biggest strengths?

2. What are some things that your child could use support with?

3. Is there anything else you would like us to know about your child?

Please note: we are unable to accommodate specific parent requests for teachers or classrooms.
