

# LEAD DONORS

The wide array of programs and services offered by The JCC would not be possible without the generous support of our donors. Individuals and families from throughout the community provide financial resources for our annual Gala, Cultural Arts programming, scholarships, the Annual Campaign, capital improvements, and our JCC endowment funds. In 2018, our Lead Donors provided funds in excess of \$600,000 by giving at or above the \$1,000 level. We offer our deepest appreciation to this group of donors, and invite the community to join them in leading the way.
