J CLUB is a licensed afterschool enrichment program offered at The Jewish Community Center of Greater Columbus (JCC). Our program provides children from Kindergarten through 5th grade an opportunity to have fun, learn new skills, grow, and develop in positive ways. J CLUB is your child’s home away from home. At J CLUB, kids have after-school snack, get a head start on homework, and participate in fun activities in a Jewish setting. Join friends for Trivia Tuesdays, Wacky Competition Wednesdays, Think Tank Thursdays and more!

Participants in the program will choose from multiple activities offered throughout the month. Activities may include sports, art, afterschool enrichment classes, playground time, and daily chugim.

Get a head start on homework or reading time in our homework club. J CLUB staff assist children to understand direction and provide guidance when needed.

J CLUB provides transportation at the following elementary schools bus stops: Maryland, Cassingham, Montrose, CJDS, and CTA.

J CLUB staff have been carefully selected for their training and experience in working with school-age children. All J CLUB staff are trained in CPR & first aid certification and must pass a thorough FBI background check. Our staff is a group of talented, creative, highly motivated individuals who provide love and guidance to each child.
