JCC GOLF OPEN

JUNE 14, 2021

The Covid-19 global pandemic rocked the entire world in early 2020 and while we all see the light at the end of the tunnel, the JCC knows that it will take years to rebuild. This year's JCC Golf Outing will be a safe opportunity for friends and the community to connect with supporting the JCC Sustainability Fund.

Your sponsorship of any amount will make an incredible difference in the lives of the over 200,000 people that the JCC supports every year. The J Sustainability Fund was established at the beginning of the pandemic as our doors were forced to close and our vital revenue sources were gone overnight. The J Sustainability Fund helps keep many of our staff employed and receiving benefits. It helps us get back to the important work that the J does for the community and how we make up for massive losses of program revenue.
