Fun In The Sun Since 1951

For 75 years, JCamp's has been a summer home for our Jewish community and families across Central Ohio—welcoming campers from all backgrounds to learn, play, and grow together. What began as a place for children to connect and explore has become a generational tradition filled with joyful Jewish moments, lifelong friendships, and unforgettable summers.

As we celebrate this milestone, we honor the thousands of campers whose stories shape who we are—and who have helped make JCamp's the premier summer camp experience in our city.

With a legacy built on community, creativity, and care, JCamp's continues to set the standard for what an exceptional summer can be.
